

## **EARLY LITERACY & LANGUAGE**

### **Workshop for Parents**

Hosted by: Little Tesoros Therapy Services  
Presented by: Kendall Fritsch, MS, CCC-SLP

Little Tesoros is passionate about getting books into the hands of children and making reading a fun experience they grow to love! Parents can help turn this dream into reality!

Parents are a child's first influential teacher and therefore play a pivotal role in fostering early literacy and language skills. Sharing quality book-reading experiences with their child is critical for developing a strong reader.

This workshop teaches parents how to do just that. Speech and language knowledge, as well as the Read With Me! curriculum, are used to support parents and their young reader.

The workshop will cover:

- Why is reading important?
- Strategies for making reading FUN for kids AND parents
- Basic early speech and language milestones
- Q&A opportunities to ask questions and share ideas
