

HILCO Electric Cooperative, Inc.

2022 Solar Installation Rebate

HILCO members who install solar panels will be eligible to receive this rebate.

Members who install solar are eligible for this one-time rebate. To receive the rebate, simply complete and attach this form to receive \$100.00 per kw of installed solar, up to \$300.00 max per membership.

A HILCO representative must conduct a home inspection both before solar panel installation and after installation is complete so call today (800) 338-6425 and schedule your inspection! Remember, the final inspection must occur within sixty days from the initial inspection so don't delay!
