

SALT Project Non-Profit Evaluations

Team Members:

Project Objective:

1-unacceptable; "no"

2-marginal; "sometimes, but not as expected"

3-acceptable; "yes, met my expectations"

4-exceptional; "yes, not only met, but surpassed my expectations"

	1-unacceptable	2- marginal	3- acceptable	4-exceptional
This student team sought to understand our needs/expectations.				
This student team kept an open line of communication with us throughout the project to ensure it was meeting our needs/expectations.				
This student team engaged the audience/client it served.				
The product/result of this project actually met our needs/expectations.				
Overall performance (how you would recommend this team to another client).				

Additional Comments:

Individual PEER Evaluations

I depend on your honest feedback. Your team members will not see your comments. This will help me assess the strength of each team member's contributions on the SALT projects.

YOUR NAME: _____

If you could only grant an "A" to one of your team members, who would it be and why?

If you had to assign a low grade to one of your team members, who would receive it, what grade would it be, and why?

Please rate each of your team members on the criteria below. **Do NOT rate yourself.**

1-unacceptable; "no"

2-marginal; "sometimes, but not as expected"

3-acceptable; "yes, met my expectations"

4-exceptional; "yes, not only met, but surpassed my expectations"

Name	This team member sought to be an effective communicator.	This team member showed an appreciation for other team members' diverse views/skills.	This team member sought to resolve conflict in an appropriate way when it arose.	This team member contributed his/her strengths to the best of his/her ability.	This was a team member I'd willingly serve with on future team assignments.
