

PACK of HOPE

Erasing Hunger in McLennan County

Mission:

Pack of Hope exists to erase child hunger in McLennan County by supplying participating school districts and their eligible students with backpacks of food from Friday-Sunday.

Have you ever been hungry and not had food to eat?

26,000 children in McLennan county may not be able to eat without YOUR help

What Pack of Hope has done:

- Our team of volunteers has increased the number of children fed from 200 children in first year to over 1,000 at the end of last school year

We rely on generous donors to help these children live more comfortably and flourish at school without having to worry about where their next meal will come from. Donate today to help provide food for a child.

Can't Donate?

We appreciate any help. Email us to set up a date to volunteer!

No children should go hungry

Why donate:

No one wants our children to go hungry, and you can help make the difference for a child in need. Every donation counts. Because we rely entirely on volunteers, we are able to put 96-98% of donations directly to the purchase of food for McLennan County's children. Donate or volunteer today to help make a difference.

How to donate:

- Donate funds via PayPal at www.packofhope.org/donate.
- Volunteer to pack bags by contacting packofhope@gmail.com.
- Mail monetary donations to
PO Box 1545, Waco, TX 76703
- Ask your employer about matching donations.
