

STAND UP AND DELIVER: GROUP PRESENTATION DYNAMICS

PAMELA BOURJAILY, UNIV. OF IOWA

LOW-STAKES ASSESSMENT OF 3 COMPONENTS BUILDS TEAM CONFIDENCE AND TRUST

1

Stand: physical delivery as a non-speaking team member

2

Up: physical delivery when speaking

3

Deliver: presentation storyline featuring content integration

2 COMPONENTS NOT TO ASSESS AND WHY

1

vocal delivery: too individual; not a team element

2

slide design: too distracting;
slides come after storyline

Stand Up and Deliver prioritizes parts of group presentation that can't be done alone
