WHY?

VIA Reports provide personalized, in-depth analysis of your free results, including actionable tips to apply your strengths to find greater well-being. Understanding your *strengths* unlocks your potential and leads you to greater professional performance.

CURIOSITY

Defined as:

- "Taking an interest in ongoing experience for its own sake; finding subjects and topics fascinating; exploring and discovering."

Describe your strengths and how it relates to communication skills:

- Curiosity skills will assist me with my knowledge and general understanding.
- This skill assisting me with absorbing more that I can then translate into building relationships and deepening personal and professional relationships.

SOCIAL INTELLIGENCE

Defined as: "Being aware of the motives/feelings of others and oneself; knowing what to do to fit into different social situations; knowing what makes other people tick."

Describe your strengths and how it relates to communication skills:

- I attached the image on this slide to answer this. Social intelligence as a skill and/or strength can assist my communication skills by -
 1. Building bonds
 2. Influence
 3. Collaboration and cooperation
 4. Leadership
 5. Conflict management
 6. Change Catalyst

TEAMWORK

Defined as:

- "Working well as a member of a group or team; being loyal to the group; doing one's share."

Describe your strengths and how it relates to communication skills:

- Obtaining teamwork as a skill will immensely assist my future career. I am pursuing a career in sales and the industry will consistently require team environments.

ZEST

Defined as: "Approaching life with excitement and energy; not doing things halfway or halfheartedly; living life as an adventure; feeling alive and activated."

Describe your strengths and how it relates to communication skills:

- Possessing a personality strength such as zest I can see being useful to obtain positive relationships. Having that while communication with others can strengthen the quality of conversations, relationships, and bonds made with others.

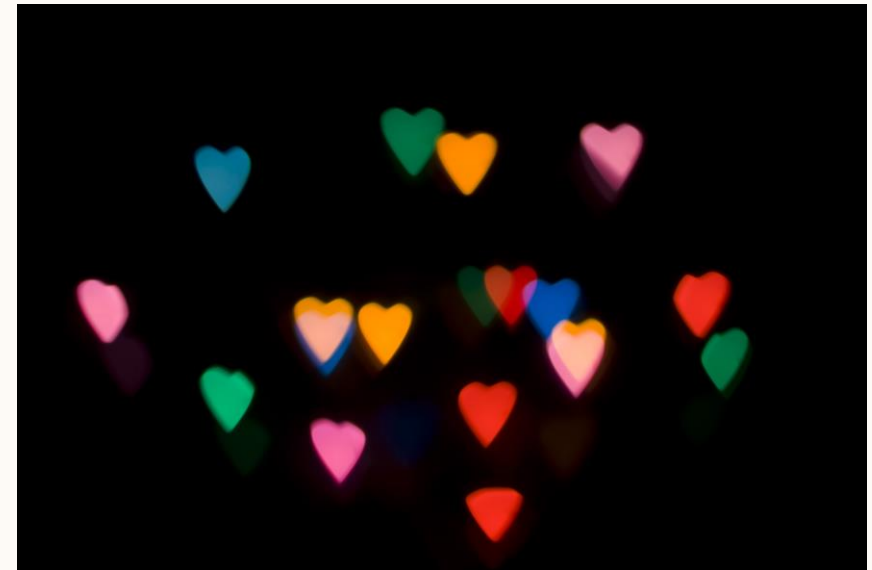

LOVE

Defined as: "Valuing close relationships with others, in particular those in which sharing, and caring are reciprocated; being close to people."

Describe your strengths and how it relates to communication skills:

- Carrying love into my communication skills I can see as translating into how I oversee my relationships and work. I can see it as being reflected into the value and care I give onto others, as well as my work and my career.

SUMMARY / EXPANSION

Describe how you might continue to refine your communication skills and apply some of your top strengths in support of your career goals:

- If I were to refine my skills and work on incorporating them more intently, I can see expansion within all aspects of my life.
- Skills such as my top 5 are essential and all reflect skills that I would deem important for successful relationships, and leadership. I imagine that growing more into these skills by being more mindful with them on a day-to-day basis; will propel my personal success and career.

THANK YOU

The background features a large, light pink circle on the right side, partially overlapping a dark blue circle on the left. The pink circle contains several thin, white, concentric lines that create a ripple effect. The text "THANK YOU" is positioned in the upper left quadrant of the white space.
