My video might cut off at the end and start a little weird because I recorded it on Instagram and it ended up kind of heavy in format. I hope it's understandable.

COIL Introduction

# COLLABORATIVE WORK

Students work in Teams to create a video on a topic of their choice:

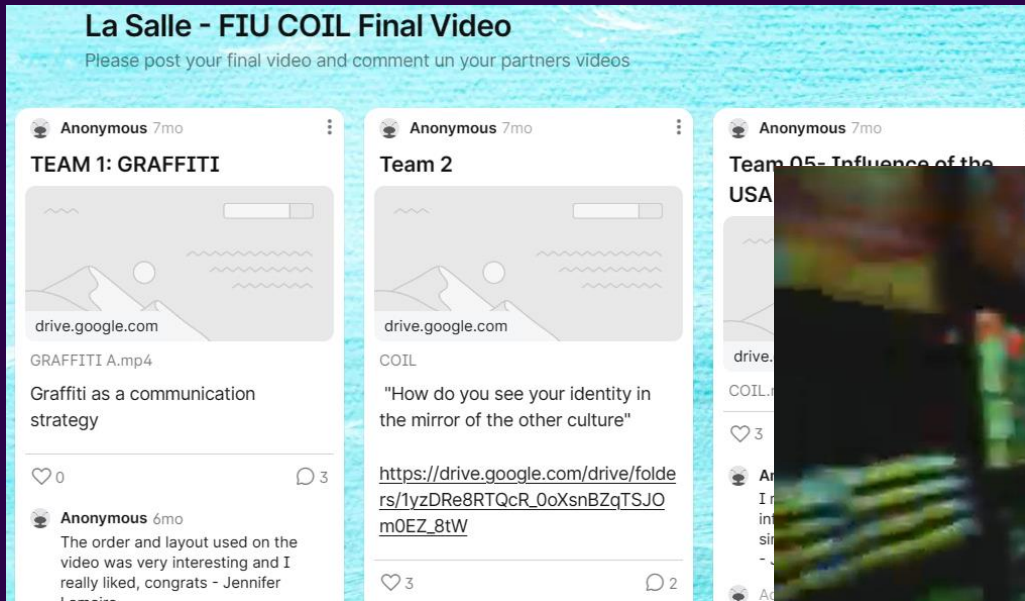

The screenshot displays a Microsoft Teams interface. On the left, a sidebar shows navigation options: Activity, Chat, Teams, Calendar, Calls, Files, and Apps. The main area is titled 'All teams' and shows a team named 'COIL FIU & La Salle Fall 2023'. Below the team name, there is a list of channels: General, Faculty, Team01, Team02, Team03, Team04, Team05, and Team06. The 'General' channel is selected, showing a post from Tetiana Andriienko-Genin dated 10/10, 2:27 PM. The post content is: 'Dear COILers, Time to start your teamwork! The first thing you will have to do is select your topic and choose the best way to collaborate.' Below the post, there are 6 likes and 1 reaction. A second post from Ortega Legaspi Alejandra (Guest) dated 10/13, 11:59 AM is also visible, with the content: 'Hello students, I am very happy to start this journey with you. I am Alejandra from La Salle.'
