**MAKING STATISTICS RELEVANT**

Josh Coleman  
University of Memphis

1. What is your gender?

2. What year are you in school?

3. What is your major?

4. How many classes do you have this semester?

5. How long did it take you to get here tonight?

6. On a scale of 1 to 5, how proficient would you say you are in using Excel?  
(1 = very little experience using Excel / 5 = very proficient)

7. What is your favorite dinosaur?

8. How long, in centimeters, is the pen you're using to write this?

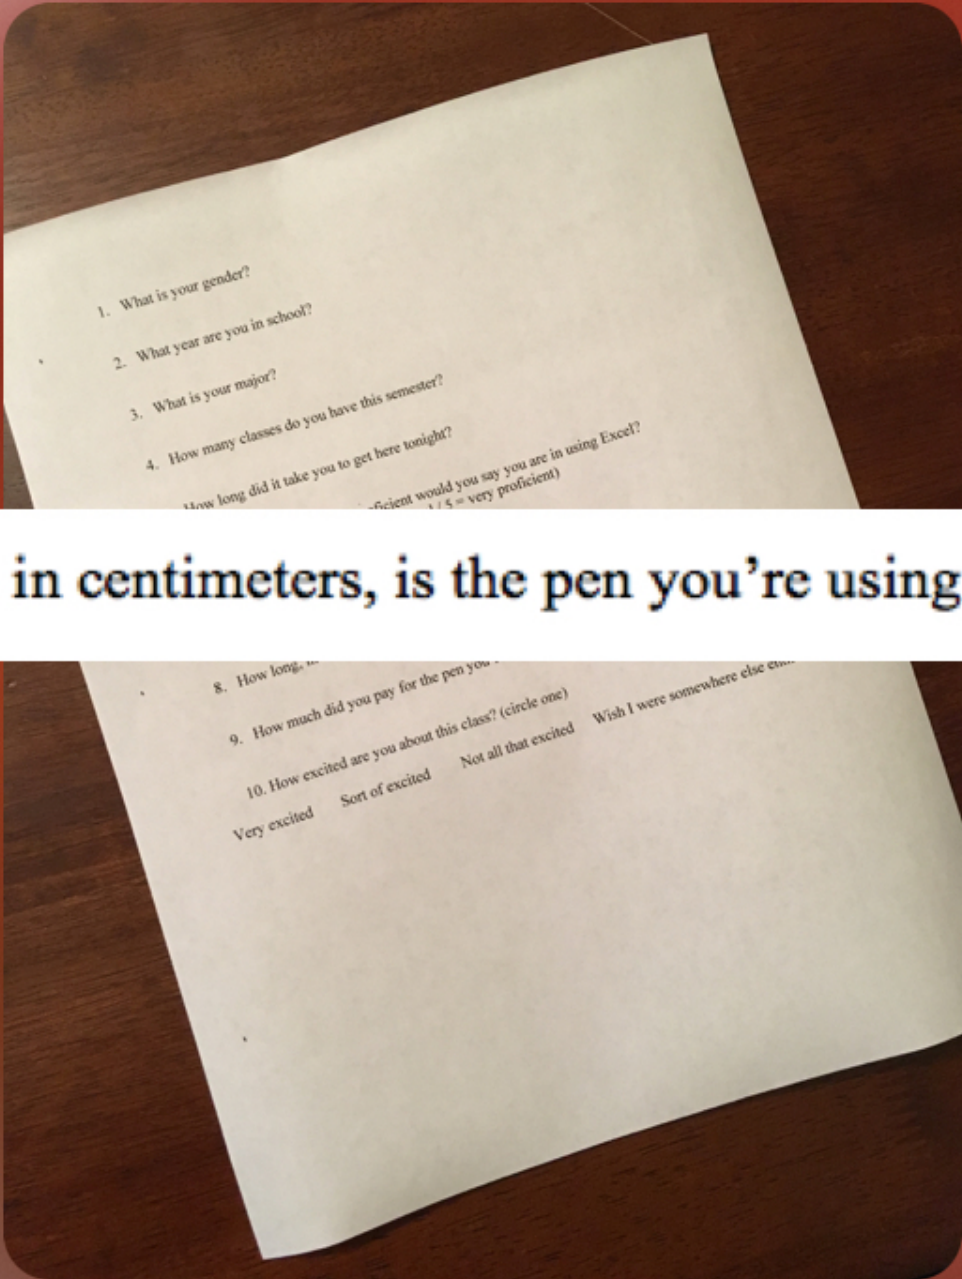

9. How much did you pay for the pen you're using to write this?

10. How excited are you about this class? (circle one)  
Very excited    Sort of excited    Not all that excited    Wish I were somewhere else entirely
