

Exciting news! You never have to write another check to WUMP again! How you ask...

Starting **April 1**, **WUMP** will be introducing a convenient new service called EZ-EFT that makes it easy for you to pay your child care fee automatically. The simple authorization form allows us to bill your financial institution on the due date. **There is no need for you to write checks, remember to drop them off, or worry about late fees.** Your record of payment will be listed each month on your bank statement **(and at your request we can also provide you a complete statement of charges and credits each month).**

- ♥ Getting started is easy. Simply complete the authorization form included here, pick up a form from the office or print the form from our website, www.westlakepreschool.org and return it to us.
- ♥ What about security? The service uses the Federal Reserve's electronic payment network used by financial institutions nationwide, so it is absolutely secure. Consumer safeguard regulations for electronic payments are even more stringent than when you write a check.
- ♥ What about fees? To cover the cost of providing this service to you we will be charging a \$5.00 monthly fee per family beginning in the fall of 2017. We will be waiving all fees for the rest of this school year as we work out the kinks and adjust to a new way of serving our families.

With your busy schedule, it's nice to know that you will have one less task to perform each month with absolutely minimal cost or effort on your part. Sign up for EZ-EFT today!
