REIMBURSEMENT DISCLAIMER

Each provider will have to verify the appropriate codes for each patient. It is the provider's sole responsibility to determine and submit appropriate codes, charges, and modifiers for services rendered. Providers should contact insurers to verify correct coding procedures prior to submitting claims related to any product or service. BSN medical Inc. cannot guarantee coverage or reimbursement with the codes listed in this document. In all cases, providers will need to follow local payer policies for billing and reimbursement.

Please refer to the product label and/or package insert for full instructions on the safe use of these products.

GREAT STABILIZATION AND HIGH PATIENT COMFORT

THE FLA ORTHOPEDICS WALKER RANGE

THERAPIES. HAND IN HAND.

HIGH-QUALITY SUPPORT FOR EVERY STEP

FLA ORTHOPEDICS STANDARD WALKER, FLA ORTHOPEDICS AIR WALKER

The **FLA ORTHOPEDICS Standard Walker** and the **FLA ORTHOPEDICS Air Walker** offer impressive features. The high-quality rigid outer skeleton ensures high protection of the foot, ankle and lower leg. Circumferential strapping, a shock absorbing sole and breathable materials provide great comfort for the patient. Walking with **FLA ORTHOPEDICS Walker** products feels natural through the rocker bottom which simulates a physiological gait.

FLA ORTHOPEDICS Standard Walker

Secure but lightweight stabilization for the lower leg, ankle and foot.

FLA ORTHOPEDICS Air Walker

Great stabilization with integrated pump and valve system to easily adjust desired compression level.

ADVANCED FEATURES FOR SAFETY AND PATIENT CARE

..... Circumferential strapping
For increased stability.

..... Breathable liner
For optimal skin climate and high wearing comfort.

..... Rocker bottom and shock absorbing sole
Securely simulates a natural gait.

..... Integrated pump and valve system
Designed to easily adjust desired compression level.
