Our dear El Rey guests, friends + community,

We exist to bring people together—but the time calls for us to take our property motto 'Where Fast Lives Slow Down' to an entirely new meaning.

We want to assure you we are following the advice of the CDC and local health officials in taking any + all extra precautions during these uncertain times. We are a NM Safe Certified hotel, a state-led training + certification program we completed to ensure we are equipped to keep guests + our team safe while operating responsibly.

We've added new protocols to how we handle room cleaning and turnover. We're spacing occupied rooms and housekeeping will avoid cleaning during your stay.

Upon check-out, we aim to keep rooms unoccupied a minimum of 48 hours when possible. We've doubled cleaning time and our housekeeping staff is equipped with gloves, masks and extra materials for deeper sanitization.

La Reina, our beloved social watering hole, is closed until further notice, as well as Swim Club and our outdoor spa. All scheduled events and activities are postponed.

We're all in this together, folks.  
It's a time to keep our distance now,  
so that we can come back together safely sooner.

In love and in health,  
El Rey
