## THE ARTS ACCESS INITIATIVE FROM THE FREEMAN STAGE

The Arts Access Initiative is a program of The Freeman Stage, which provides K-12 students, residents and families of the Delmarva region year-round access to high quality, diverse arts experiences at no cost. This includes our Arts in Education program, which has touched 122,948 students in the region — from Pre-K through Grade 12 — since its inception in 2008. This program is supported, in part, by a grant from the Delaware Division of the Arts.
