## Cotton's Commitment to Health and Safety

Cotton is committed to conducting its business in a manner that protects the health and safety of all employees and the public. Cotton's commitment is to maintain a culture that fosters the development of a safe, efficient and environmentally sound workplace. We will comply with all applicable laws and regulations and apply reasonable standards where laws and regulations do not exist.

We will focus our resources and priorities to ensure Cotton maximizes our effectiveness in HSE by assuring:

- No accidents at worksites
- No damage to the environment
- No harm to people
- No damage to Cotton or Customer assets

Cotton staff members shall have the RIGHT and the RESPONSIBILITY to STOP WORK without fear of reprisal from any activities that are considered to be an imminent danger (i.e. any condition or behavior that could reasonably be expected to cause death or serious injury, or environmental harm). The Project Manager and HSE Department will be notified immediately.
