Special Interests:

- Women's Wellness: emphasize preventative care and promote overall women's health.
- Managing pregnancies and ensuring the health and well-being of expectant mothers and their babies: provide prenatal care, monitor fetal development, assist with labor and delivery, and offer postpartum care.
- Diagnosis and treatment of gynecological conditions: abnormal bleeding, pelvic pain, menstrual disorders, menopause management, and routine preventive screenings like Pap smears and breast examinations
- Family planning and reproductive health: provide contraceptive counseling, discuss various birth control methods, and help individuals and couples make informed decisions about their reproductive choices.
- Keen interest in performing minimally invasive procedures such as laparoscopic / Robotic surgeries and hysteroscopy. These techniques allow for smaller incisions, reduced scarring, faster recovery, and less postoperative pain for patients.

Providing Women's Healthcare...and more

We continually strive to provide comprehensive traditional women's healthcare in a comfortable and personal environment, while offering additional medical services for women not typically found in an ob/gyn office. Along those lines, we are proud to offer the services of Marina Jick, RNP, Nurse Practitioner. Please consider treating yourself to a special visit at Marina's Oasis!
