

About your physician...

Shweta K. Shah, DO, FACOG

My Journey

“My journey has allowed me to grow personally and professionally; made me culturally competent and given me an opportunity to reflect on my own ability as well as identify areas in need of improvement. I am confident that my perseverance, integrity, and dedication will enable me to be a well-rounded physician. Every hurdle I have faced has made me stronger, more mature and taught me new lessons. I am prepared for a lifelong commitment of staying abreast of a complex, dynamic and ever-expanding body of knowledge so I can become the best ob/gyn physician possible.”

Providing Women’s Healthcare...and more

“We continually strive to provide comprehensive traditional women’s healthcare in a comfortable and personal environment, while offering additional medical services for women not typically found in an ob/gyn office. Along those lines, we are proud to offer the services of a skin care specialist (who happens to be my wife, Marina Jick, R.N.!)” Please consider treating yourself to a special visit at [Marina’s Oasis!](#) Call 626 MY OASIS.
