

Dear Organization,

Would you like a dynamic and entertaining Board-Certified Ob/Gyn physician to speak about Menopause at one of your events?

Bryan S. Jick, MD, FACOG, MSCP is a member of The Menopause Society. In 2021, he earned a special menopause credential, MSCP, which means "Menopause Society Certified Practitioner". Dr. Jick has been in private practice in Pasadena for over 35 years. His practice is limited to Gynecology only and he treats many menopausal and pre-menopausal patients.

Dr. Jick has developed an informative, uplifting and humorous speech about menopause lasting from 30 to 45 minutes or longer depending on questions from the audience, and there will be questions! He is available to speak to professional groups, non-profits, networking events, social organizations, religious groups, breakfast, lunch or dinner events, on weekdays or weekends, based on his availability.

There are no slides, no PowerPoint, just Dr. Jick having a conversation with the audience, inviting comments and participation, telling stories, with the goal being to empower his listeners to think about menopause not as the change of life, but as life-changing!

His services are free if the event is within 20 miles of Pasadena and requires no hotel or meal. If travel is involved, especially out-of-town, then reasonable travel and related expenses are expected, but there is no fee for the speech.

Dr. Jick has limited availability as he is a full-time practicing ob/gyn physician, so act soon if you would like him to come speak to your group.

Please fill out this form (attached) and return it via e-mail or fax.
send e-mail to: bryan.jick@huntingtonhealth.org
fax the form to (626) 628-2134
