

Pre-Registration with Huntington's Family Birth Center

If you plan on delivering your baby at Huntington Hospital, we encourage you to register as a Huntington patient by your seventh month of pregnancy. You can complete your pre-registration with My CS-Link – our secure, online health management tool – in just a few simple steps:

1. If you are an existing Huntington patient, sign in to My CS-Link to register by visiting **cedars-sinai.org/hhmycslink** or by scanning the QR code below. If you are a new patient, or receive the prompt “Unable to verify your identity” when attempting to register, please call **(626) 397-5294**.
2. Input your expected due date and select Huntington Hospital as the location.
3. Verify that your personal information is correct.
4. Complete the pre-admissions questionnaire and submit the form.

If you have questions about the admitting process, please call **(626) 397-5294**.
