### ***The Empathetic Scientist***

“As a physician, we are trained to be scientists, but this is not enough. To truly be an excellent physician requires medical excellence tempered with empathy. It is a privilege for me to have the opportunity to apply this artistry to the full range of health issues I encounter as an obstetrician/gynecologist.”

### ***Providing Women’s Healthcare...and more***

We continually strive to provide comprehensive traditional women’s healthcare in a comfortable and personal environment, while offering additional medical services for women not typically found in an ob/gyn office.

Along those lines, we are proud to offer the services of Marina Jick, RNP, Nurse Practitioner. Please consider treating yourself to a special visit at Marina’s Oasis! Call 626 MY OASIS or book an appointment online at
