# Who We Are

---

---

Since 2007, Restoration Gateway's mission has been to provide orphan care, medical care, empowerment to the community and ministry to the local church in northern Uganda. Because of the Lord's provision and partnerships with people like you, Restoration Gateway has given a loving home, education, medical care and spiritual nourishment to 190 children who would have otherwise gone without these basic needs.

In 2018, Restoration Gateway was able to fill a major void in northern Uganda, a complete lack of quality medical care, by building a premiere teaching hospital on our campus. Restoration Gateway is currently providing employment to over 300 villagers and further training for hundreds of pastors.

Your sponsorship of the Chris Tomlin concert will help us to continue to meet fundamental needs for Ugandans while giving your business exposure to up to 2,100 concert attendees. With your support, Restoration Gateway can offer hope for a future to unreached people, provide holistic care to orphans, and meet the medical needs of the war-torn people of northern Uganda. We thank you for considering a partnership with Restoration Gateway.
