

GLOBAL DISASTER SOLUTIONS

BUILD FOR THE FUTURE OF YOUR BUSINESS

Healthcare is an important part of the infrastructure of a growing economy. As businesses grow and tourists flock, there is a greater need for medical centers. Fortunately, upgrading your existing healthcare facility doesn't have to be a headache.

Cotton has a proven track record of working in multi-scale sized healthcare facilities. Our experience means we can get your job done quickly, safely and with minimal disruption to current operations.

BENEFITS OF CHOOSING COTTON:

- A single point of contact for your entire project
- Assurance that your building can remain occupied and functional while construction is ongoing
- Off-hours construction for completion of loud or disruptive projects
- Flexibility to add projects as work progresses
- Professional, safety-oriented workforce

SERVICES WE PROVIDE

- Capital improvements
- Roofing
- Heavy and selective demolition
- General construction
- Interior build-out
- Plumbing and electrical work
- Exterior building envelopes
- Lump-sum projects
- Cost-plus projects
- Time and materials projects
