From the Tour:

A loss of **FOCUS** can blur our ability to maximize the plan and purpose God has for us. We live in a world that is filled with so many options, alternatives, and distractions. We are constantly bombarded with negative images and misperceptions that tempt us to pull away from God, with a false hope that we can somehow successfully redevelop our own life-narrative. As a result, we lose our identity and lose our way because we're seeking validation from worldly things.

A life out of **FOCUS** is ultimately a life that has a difficult time capturing the truth that our Heavenly Father relentlessly pursues and unconditionally loves us. However, when we encounter Scripture, our lives begin to sharpen into focus, and we start to see every struggle and blessing through the redemptive lens of Christ. When we have Godly FOCUS, we live life with our faith as our filter!

This year at **The LIFT Tour 2020**, our goal is to create an environment where every student will develop a clear vision for their life. As we study the story of the lost son in *Luke 15*, our hope is to inspire, encourage, and remind every participant of the truth found in God's Word; that no matter how far we run from God, when we **FOCUS** our heart and attention on the Father, we will see that His **FOCUS** is always to receive and redeem the lost.

Therefore, throughout the weekend we will look at four unique perspectives that are found in *Luke 15* that will help you...

- **Focus** on the Father
- **Capture** your Identity
- **Filter** Misperceptions
- **Develop** your Calling
