#### **Camp Info:**

This summer our youth will return to **Rescue Youth Camp** at Latham Springs Camp in Aquilla, TX. Last summer we experienced an awesome week of fun, energy, excitement, new experiences, new friendships, and daily encounters with the word and worship. Many of our students were touched through the worship services and came back with a greater love for our Savior. This summer, we expect God to even greater things in the lives of our students.

Rescue Youth Camp offers students access to both organized recreation activities and a large array of free time activities. Some of the options include a massive waterfront (with inflatables, 100' waterslide, boats, and fishing), swimming pool, disc golf, gaga ball, 9-square, basketball, volleyball, ropes course, zip line, giant swing, snack bar, places for prayer and reflection, and more. The fun ends each night when the camp puts on special concerts and events. Most importantly, days at camp will begin and end with devotional times and worship services led by worship leaders Nick Gainey Worship Band and speaker Ryan Fontenot. Hurt and Manley will emcee. Each day will also include a special Bible Lesson.
