

## 2021 AllHealth Network Prescription Assistance Program (PAP)

The AllHealth Network Prescription Assistance Program is available to assist low income established AllHealth Network clients who may be having difficulty paying for their medications. In collaboration with the AllHealth Network providers and clinics, the AllHealth Network Pharmacy can explore options to reduce your overall prescription costs.

### Who is eligible for assistance?

1. Established Clients seen at an AllHealth Network Clinic.
2. US Resident
3. Uninsured, Underinsured, have exhausted benefits, medication is not covered or reached gap in coverage.
4. Total Gross Annual Household Income is at or below 2 times the Federal Poverty Level (see chart) and must submit proof of household income.

Total number of people in household	1	2	3	4	5	6	7	8
Maximum Annual Income (2021)	\$25,520	\$34,480	\$43,440	\$52,400	\$61,360	\$70,320	\$79,280	\$88,240

5. Patient must provide required documents and submit the following, as needed, for proof of income annually:
  - a. Federal Tax Return (Form 1040 or 1040EZ) for the prior tax year.
  - b. Wage and tax statements (W-2 forms) (husband and wife).
  - c. Social security, pension or railroad retirement statements (SSA-1099 or similar) (husband and wife).
  - d. Statements of interest, dividends or other income including child support and alimony (1099-NT, 1099, 1099-DIV or other forms) (husband & wife).
  - e. Medicaid Denial Letter
6. Copy Health insurance card or Medicare D insurance card (front and back).

### How can I get prescription assistance?

You may call us directly. We will request that you provide us with some preliminary information in order to determine if you may be eligible for assistance, which includes:

- Information regarding your income and assets, including verification
- A current list of your medications, including dosage and frequency taken
- Information regarding your health insurance coverage

### Is there a fee for this service?

No, there is no charge for our assistance.
