

COVID-19 (“Coronavirus”) UPDATE

March 23, 2020

Our Company, including Chesapeake Bay Beach Club, The Inn, Knoxie’s Table, The Market and The Spa, is devoted to protecting the health and well-being of all who visit our facilities. The safety of our guests and staff is always our top priority. We are monitoring the latest information from the CDC, WHO and EPA regarding the spread of COVID-19 (“coronavirus”) and are proactively implementing measures to ensure the health and safety of our guests and staff.

THE INN AT THE CHESAPEAKE BAY BEACH CLUB

At this time, The Inn is no longer taking new reservations through Sunday, April 5th. We will consider the status of this pandemic along with the safety of our staff and guests at the end of March to determine a new target date for re-opening our guest rooms.

We will, however, honor the rooms that are currently booked within this time frame.

PRIVATE EVENTS (*Weddings, Corporate & Social Events*)

The Chesapeake Bay Beach Club is officially suspending all banquet operations through the weekend of May 10, 2020 per Federal, State and Local recommendations as well as advice from the CDC and WHO. Our sales and operations teams will remain committed to actively participating in assisting our clients with the same passion, dedication and support as ever before.
