Patient Consent - Section B

Please read, sign and date on page 2, Patient Section A.

I give permission for my health care providers (HCPs), pharmacies, health insurer(s), third party contractors, and service providers to disclose my personal information, including information about my insurance, prescriptions, medical condition, and health ("Personal Information") to the Novartis Patient Assistance Foundation, Inc. ("NPAF") so that NPAF can administer those programs if I choose to apply and I am eligible, send me information about programs that might help me pay for my medicines, and to coordinate and share my Personal Information with my health care providers, other programs that might help me pay for medicines, government agencies, and insurance companies for purposes of providing or facilitating this assistance.

I give permission to NPAF to disclose my Personal Information to my health care providers, pharmacies, health insurer(s), caregivers, and other third-party contractors or service providers for the purposes described above. I also give permission to NPAF to combine or aggregate any information collected from me with information NPAF may collect about me from other sources for the purpose of providing or administering program services.

I understand that once my Personal Information is disclosed it may no longer be protected by federal and state privacy law. I understand that I may refuse to sign this authorization. I also may revoke (withdraw) this authorization with respect to NPAF at any time in the future by calling 1-800-277-2254.

My refusal or future revocation will not affect the commencement or continuation of my treatment by my doctors; however, if I revoke this authorization, I may no longer be able to participate in programs administered by NPAF. If I revoke this authorization, NPAF will stop using or sharing my information (except as necessary to end my participation in NPAF) but my revocation will not affect uses and disclosures of Personal Information previously disclosed in reliance upon this authorization. I understand that this authorization will remain valid for five (5) years after the date of my signature, unless I revoke it earlier. I also understand that programs administered by NPAF may change or end at any time without prior notification. I understand that I may receive a copy of this authorization.

I agree to be contacted by NPAF by mail, e-mail, telephone calls, and text messages at the number(s) and address(es) provided on the NPAF application for all purposes described in this Patient Authorization. I also agree to be contacted by NPAF and others on its behalf by telephone calls and text messages made by or using an automatic telephone dialing system or pre-recorded voice, at the number(s) provided on this form, for all non-marketing purposes, including but not limited to sending me materials and asking for my participation in surveys. I confirm that I am the subscriber for the telephone number(s) provided and the authorized user for the e-mail address(es) provided, and I agree to notify NPAF promptly if any of my numbers or addresses change in the future. I understand that my wireless service provider's message and data rates may apply.

I understand that NPAF does not permit my Personal Information to be used by its business partners for their own separate marketing purposes. I understand and agree that Personal Information transmitted by e-mail and cell phone cannot be secured against unauthorized access.

Patient Consent - Section B (Continued)

Telephone Consumer Protection Act (TCPA) Consent

I consent to receive marketing and non-marketing calls and texts from and on behalf of Novartis Pharmaceuticals Corporation, made with an autodialer or prerecorded voice, at the phone number(s) provided. I understand that my consent is not required or a condition of purchase. Number of messages will vary based on your program selections. Message and data rates may apply.

Fair Credit Reporting Act (FCRA) Authorization

I understand that I am providing "written instructions" authorizing NPAF and its vendor, under the FCRA, to obtain information from my credit profile or other information from the vendor, solely for the purpose of determining financial qualifications for programs administered by NPAF. I understand that I must affirmatively agree to these terms in order to proceed in this financial screening process.

Health Care Professional Authorization - Section B

I certify that the above therapy is medically necessary and that this information is accurate to the best of my knowledge. I certify that I am the physician who has prescribed the drug identified above to the previously identified patient. For the purposes of transmitting this prescription, I authorize NPAF and its affiliates, business partners, and agents to forward as my agent for these limited purposes this prescription electronically, by facsimile, or by mail to the appropriate dispensing pharmacies. I certify that any medication received will be used only for the patient named on this form and will not be offered for sale, trade, or barter. Further, no claim for reimbursement will be submitted concerning this medication, nor will any medication be returned for credit.
