The twelfth Southern Hound Show held at Live Oak Plantation in Monticello, FL will be memorable because of the 2-inch deluge of rain that began late morning and necessitated moving the show into the stable for the remainder of the day.

Seven packs competed and the addition of four restricted classes for hunts that have not won a first prize at this show during the last two years was a welcome addition.

The judges, Major Tim Easby Director of the U.K.'s MFHA, Dr. Charlotte McDonald MFH London Hunt in Canada and Apprentice Judge Ms. Joy A. Crompton MFH Farmington Hunt deemed the best class of the day to

be Entered Bitch in which the top three ribbons went to littermates out of Hillsboro Sable'13 by Hillsboro William'13. Sable is by Live Oak Farrier'10 a Grand Champion of Virginia whose littermate Fable was also Grand Champion of Virginia, out of a Duke of Beaufort Bailey'03 bitch. Bailey bred over 90 bitches his last year standing in England.

Hillsboro's Walnut'17 was Reserve Champion bitch at the Southern Hound show last year. She was a lovely, deserving winner of the Grand Championship as she is a good moving quality bitch that stands over a lot of ground.

The Reserve Grand Champion of show Live Oak Assault'13 has never been beaten in a stallion hound class.

For Hillsboro to win all but one of the championships is a major accomplishment for Master Orrin Ingram and Huntsman Johnny Gray.
