FIVE COUPLE OF HOUNDS

OPEN TO DOGS AND BITCHES, EITHER/BOTH BREEDS

GUIDELINES FOR JUDGING THE PACK CLASS

These guidelines were written by William Brainard MFH Old Dominion Hunt

1. Judge them as a unit (Dogs or Bitches or Mixed).
2. Consider uniformity, conformation, color, type and way of moving.
3. Movement and freedom should be demonstrated to a greater extent than in the ring.
4. The huntsman should keep his hounds all around him and not have them "choked up" behind.
5. Hounds should be relaxed, obedient, affirmative, quick to turn and ready to carry out their huntsman's instructions.
6. Movement and uniformity are a must in a pack class.
