

NAIFA-TEXAS 2021 ELECTIONS

Brent Hill, Candidate for NAIFA Texas State Director

I am asking for your vote as I am running for a NAIFA Texas State Director position.

ABOUT

Born & raised in Amarillo, Texas, I have worked in the insurance & financial services industry for almost twelve years. I recently graduated from the 2020 Leadership in Life Institute, and hold a BBA from West Texas A&M University with an emphasis in Marketing. Currently, I serve clients in Texas, Oklahoma, and Kansas with Life Insurance, Annuities, Medicare products, and other specialized insurance plans. In my spare time, I enjoy outdoor sports such as golf, water sports, camping/fishing, physical fitness, and listening to music after a hard day's work. Even with my extremely busy work schedule, I always find time to give back to my community, by supporting charities such as Children's Miracle Network, Northwest Texas Children's Hospital, Disabled Veterans of America, and Texas Behavioral Health Centers for mentally challenged adults.

EXPERIENCE

Before transferring my membership to NAIFA Dallas, I served for several years with Jack Knight on the Membership Committee, before serving as the Chair. I also served on the Finance Committee with Kirk Haworth for several years. Currently I work with Alesia Dutton and Lane Boozer (Chair) of the NAIFA Dallas for our Membership Committee, in conjunction with serving on the National YAT Committee. Since 2016, I have attended NAIFA State & National conferences, as well as participated in the Congressional Conference in Washington, D.C.

NAIFA-TEXAS 2021 ELECTIONS

WHY I AM RUNNING FOR STATE DIRECTOR

Plain and simple- I want to give back. I have gained so much from various volunteer positions that I have held since joining in 2016, that it has made a significant impact on my business as an insurance advisor. There are many pressing issues that are affecting our industry and association, that are going to take a group of hard working, intelligent, & diverse group of industry leaders working together to make this a success for everyone. My goal is to work with other directors/officers on our State Board to build, grow, and sustain the GREATEST professional organization someone in our profession can belong to- NAIFA Texas! I will do everything in my power to see to it that all members are represented equally, knowing that they have a Director that is approachable, a listener, and advocate, but most importantly, someone that gets the job done, and that is me.

I kindly & humbly ask for your support in my candidacy for the NAIFA Texas State Director position. I realize that this position entails a great deal of work, as I am eager to get started.

Best Regards,

Brent Hill, NAIFA Dallas
