Happy 4th of July Everyone!

The journey to INATS (International New Age Trade Show) in Denver was fun and successful. We networked with 100s of like-minded businesses and vendors finding several new items we hope will delight you along the way. Come in and check out the new diffusers and essential oils we are adding plus beautiful glass bird feeders and hand-painted dishes we found. We added all kinds of new fun items for the kids, both young and old. We have heard your requests for more spiritual attire, so be sure to look for the new leather billfolds with notable symbols and animal totems. We continue to expand our textiles area, so you'll find we now have a wider selection of white cotton pieces for both men and women as well as more styles of the cultural leisureware we all love and can't seem to find anywhere.

Probably the most unique treasure we came back with are called Couriers and are marketed in 3 sizes as a Bra Courier (Finally! Right!?), a Gemstone Courier (for carrying our traveling companions), and a Deck Courier perfect for your card decks and multiple other personal items. Each one is hand made from an endless variety of recycled fabrics of cotton, silk, linen, cashmere and other beautiful blends in a multi-functional pouch that is secure without any snaps or buttons. Check them out!

We're starting to get excited around the store about RockFest coming soon, August 5th. This will be our 4th year in celebrating Austin's declaration of August 8th as Nature's Treasures Day. This celebration is all free for our patrons and geared towards families and kids to have rock fun throughout the day. Be sure to watch our social media, especially facebook and instagram, for our City-Wide Scavenger Hunt hints and updates again this year. If you find one of our treasures around town, you might win an awesome amethyst cathedral or one of many other great prizes.

After attending INATS I was blessed to be able to experience some of Mother Natures' finest work in Aspen, Colorado. Sharing the Colorado Columbines at Pitkin County Airport with everyone.

July Blessings

We do believe in fairies! Find our new Faerie House hidden within Nature's Treasures and you will be blessed with special offers or free gifts! The fairies move around a lot and collect all sorts of treasures, so who knows what you will find and where!?

The image displays nine individual packages of 'Pathfinders' state-themed necklaces. Each package is designed to look like a vintage postcard or brochure for a specific US state. The top of each package features the 'Pathfinders' logo and the tagline 'state's jewelry'. Below this, the state name is prominently displayed. The central focus of each package is a US quarter coin, which is part of the necklace. The coin's design is a reference to the state's history or geography. For example, the Vermont package shows a coin with a landscape scene, while the Tennessee package shows a coin with a plow. The bottom of each package includes a small illustration of the state's outline and a list of other states in the series. The packages are arranged in a grid, with some overlapping, creating a visual display of the entire collection.

## The Treasure Tome: A Trove of Knowledge

**YOUR TRUE COLORS** - *Reading your aura*

AS FEATURED IN THE JULY EDITION OF [AUSTIN ALL NATURAL MAGAZINE](#)

*by Folade Speaks*

All living beings have an electromagnetic field around them. When circumstances unfold, when other people walk through your aura, or illness and emotions surface, the vibration of the field is shifted, especially in your chakras.

Chakra is a Sanskrit word that means wheel. There are seven major chakras in the body, and chakras above the crown and below the feet. The seven are archives of years of life, every seven years encoded into the corresponding chakra:

- The Muladhara (Root) chakra, the first, governs ages 0-7 and 49-56 - life path, security, trust.
- Svadhistahna (Sacral), the second, is the power chakra for women, housing emotions, creativity, and ages 7-14 and 56-63.
- As the Solar System is fueled by the sun, our radial point is the Manipura (Solar Plexus) - power center for men, where the willpower stands, governing ages 14-21 and 63-70.

The remaining chakras - Anahata (Heart), Vishuddha (Throat), Ajna (Third Eye), and Sahasrara (Crown) - also store many elements and phases.

Once you isolate areas needing attention and healing, you can take steps to heal them consciously. The graphs on an Auraphoto imaging screen read the resonance of each chakra in real time, rating it as overactive, balanced, or low.

**NATURE'S TREASURES IN THE COMMUNITY**

Nature's Treasures hosted a field trip by the Boys & Girls Club of Thurmond Heights back in May. The kids had such a great time that the instructors put together this 'thank you' picture from them.

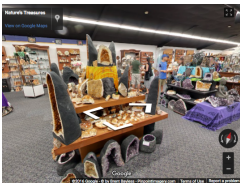

Nature's Treasures employees had a blast at the Zilker Botanical Garden Woodland Faerie Trail by Moonlight on June 9 & 10. The Woodland Faerie Trail closes on July 30, so be sure to flutter by the "Faerie Sentries for Every Season" faerie homes we created. We are so happy to have contributed to "the Jewel in the Heart of Austin" with a donation of crystals, large and small, that you can see throughout the gardens on your next visit.

Can't get into the store? Want to take a virtual tour? Google came out and did a VR of Nature's Treasures. Check it out here!
