Super September

Happy Labor Day everyone! If you're looking for something fun to do on your day, off be sure to come on by and see all the wonderful new items we keep putting out daily and enjoy our Labor Day Sale of 15% off store wide.

It seems hard to believe with this heat, but September means Fall is just around the corner, the kids are back in school, Christmas is basically four months away, and we're off for our annual seasonal inventory buying trip in Denver, Colorado (where it hopefully will be cooler). Amanda, Robert, Michael and I will be shopping til we drop for three weeks to find all the goodies that this annual gathering of international miners and vendors have to offer.

In addition to buying treasures to restock our shelves for the rest of the year, we'll be looking for those special and unique holiday gift items. For the first time, we will also be selling agates at the International Denver Gem, Mineral and Jewelry Show in the Denver Coliseum. Be sure to come by and say hi if you're one of the lucky people who get to experience this adventure. Remember, now is the time to set your intentions for us to bring back that special piece you've been wanting. Miracles can happen at this show, so manifest away!

Rockfest was so much fun. We had a dino and magician visit us, educational kids talks, jewelry making demos, great food, and fun games for the kids where they won lots of gifts. Everyone had a great time. Check out our City Wide Treasures Hunt winners and all their huge smiling faces in the "In The Community" section below.

Birthstone

Sapphire

Sapphire is any color of the mineral corundum other than red meaning it occurs in a whole spectrum ranging from orange to purple. With a hardness of 9 out of 10, Sapphire is a highly sought after gem for not only its beauty but also its durability. A stone of prosperity, Sapphire sustains life force and attracts joy and peace. Sapphire helps to open the mind to beauty and intuition. Sapphire is a stone of wisdom, with each color containing its own unique energy vibration and information.

Blue Sapphire helps to promote dreams and dreaming, astral travel and the subsequent retention/ remembrance of information and wisdom brought back into waking consciousness. Blue Sapphire increases/enhances intuition, mental clarity and spiritual power, all of which can assist in personal and spiritual growth. A stone of spiritual healing and spiritual truth, Blue Sapphire is useful when channeling healing energies from the Angelic Realm or a higher source. This makes Blue Sapphire an especially good stone for practitioners of Reiki and similar modalities.

In the Community Events Center

Atlantean Healing™ Soul Retrieval Private healing Sessions . Wed 26th & Thurs 27th Sept

These sessions are designed to balance the energy field as Atlanteans believed dis-ease was a manifestation of the imbalance in the energy field. Fragmentation of the soul may occur when we experience trauma in our lives, this can be through shock, sudden loss of life and injury, loss of beloved family, friends and pets, traumatic childhood. The fragments of the soul could have left us at different times in our life and stay trapped within the moment of that trauma. These healing sessions are designed to bring back pieces (or all) of the fragments of our soul to bring about balance in our life.

Possible symptoms:

- Emotional emptiness. Use of external sources to fill void within - may be an addiction - alcohol, drugs, food etc.
- Feeling of being disconnected. Not able to get over a situation/problem
- Not feeling in control, Scattered feelings
- Why do I keep giving my power away? Feeling of loneliness.

These are just some of the possible symptoms,

A Limited Number of Private healing sessions are available.

Cost per session \$75.00. To Reserve a place please email

Pregnancy, Birth and Motherhood: Crystal Tools from the Supreme Mother
By Folade Speaks

I am uplifting women who carry life, endure labor, manifest birth.

Women who bring children through the sacred portal to this planet.

Here is a list of tried and true minerals that support mother in every stage:

Moonstone and Mother of Pearl

Divine Feminine gem, moonstone is a must-have for pregnancy and childbirth. This crystal helps connect the full moon and water energy of Mother Gaia to the full womb and embryonic fluid of the pregnant mom. Moonstone is a mood stabilizer, and emotionally calming hormone "balancer." Mother of Pearl passes the flow, and fertile essence of the ocean to its wearer. This shell supports the mother through change and transformation. These two are excellent partners, as they symbolize two of the most significant feminine aspects.

Austin Agates Exclusive

Laguna dig called Los Arcoiris "The Rainbow"

Notes on Agates:

Silica is the key component to agate formation since it belongs to the quartz family made up of SiO_2 . Because of their beauty and durability, agates have been used since the Neolithic as tools, jewelry, tableware and decor for thousands of years. Although agate has been used for ages, new world agates have only been mined recently and many varieties are mined out.
