Happy Holidays!

Hoping everyone has recovered from all the extra stuffing from Thanksgiving Day and working off those extra calories shopping for all the super specials out there. We've got our own "super specials" throughout the store, the Depot and our Rock Yard throughout December, so don't forget to check out the huge discounts we put together for you. Maybe you can use your savings for something special for yourself (we won't tell anyone). We pride ourselves in having something for everyone... especially that hard to find gift for the person who has everything and, if you can't decide what to choose, there is always a Nature's Treasures gift card to bring joy and delight. We will have extended store hours during the holidays to help with your bulging shopping list, be sure to check out our adjusted store hours below.

A great time was had by all during our Customer Appreciation weekend. We gave out over 1,000 gift boxes with multiple 50% off coupons redeemed with much joy and appreciation. Several of our specially bowed large pieces found new homes but, fear not, there are still several left to choose from, some marked at 75% off. What a great way to find a signature piece for your home or office at a price that won't break the bank. We can even help with interest free layaways and payment plans.

Thanks to everyone who came to visit us last month in Humble at the Houston Gem, Mineral and Fossil Show and Fossil Fest at Old Settlers Park in Round Rock. We love traveling to these shows and hearing how loving and appreciative people are that Nature's Treasures exists and works so hard to bring such a selection of natural beauty for everyone to discover and enjoy. It's through these talks with everyone at shows that we learn what makes you excited and smile.

This December my holiday plans will include a trip to Australia and New Zealand. I've made arrangements while in New Zealand to meet with Robert Simmons and his wife Kathy about Robert's newly published book "The Alchemy of Stones: Co-Creating with the Soul of the World" and to further talks with them about returning to the United States for a special, full spectrum event in Austin, hosted by Nature's Treasures. I'll keep you posted on my progress and hopefully a targeted time frame.

December usually brings to mind all kinds of holiday plans and many lists. The magnitude of both can determine both your joy and stress levels depending on your priorities and what you decide has to be done. No matter what your celebrating, honoring or "in observance of" this holiday season, keep in mind we are constantly creating memories so remember it's okay to let go and shift some priorities in order to create outstanding memories.

An outstanding memory and blessing I have is our

angel Linda Czopek. Linda has been a part of our family since the beginning on 5th Street. Her energy and talents helped form and grow Nature's Treasures into what we are today. She helped hundreds of people learn and enjoy all that the stones have to offer. Our angel is watching over us and I will miss her and her light every day.

Meet Our Staff

Kathryn E.
Austinite Kathryn Esquivel joined NT in spring 2019. Kathryn enjoys helping our customers and practitioners while learning the many uses for crystals and minerals. Her favorite right now is the Phantom Quartz. Kathryn has also recently received her recertification in Reiki 1 and 2. When Kathryn is not planning her next crystal grid she is at NSpire Salon behind the chair or dancing salsa at Central Market!

In Memoriam

Nature's Treasures was founded in 2000, but long before it grew into the Nature's Treasures we know today there were three legendary women that laid the foundations. One of those three women, the Heart of Nature's Treasures, Linda Jane, brought soul and joy into many

lives. With wise words and open arms, Linda was like a mother to the Nature's Treasures family, becoming the deepest of friends with employees and customers alike. For those of us who knew her, we remember her smile, her laugh, and her voice. Linda's voice went beyond her multilingual ability or singing talent, and touched the very heart of any who heard it. Linda changed lives by supporting and empowering each of us as we struggled, loved and grew. Love Love, Love Linda Hugs.

To honor Linda, Nature's Treasures will be having a celebration of life on Tuesday, the 17th of December at 8pm. We will dance and eat and remember, welcoming any who wish to celebrate with us or get to know Linda through shared stories. For those who cannot attend, a memorial altar will be left up through Sunday, the 22nd of December during store hours.
