

15th Annual TUCSON Trunk Show

Treasures from Around the World The Whole Month of April

Visit NTRocks.com for COVID Protocols

Hello Everyone!

Nature's Treasures is proud to showcase new treasures from around the world! We featured some new and popular items in our April Newsletter that went out last week. If you do not receive our Monthly Newsletter, please click [HERE](#) to adjust your subscription settings to get access to all of our exciting content each month.

We are continuing to restock, sell out, and stock new items as the showcase continues this week. The owner and one of our buyers will be headed out to Tucson this week to see how the International Mineral & Jewelry Show is going. We look forward to seeing some of our vendors face to face and filling some inventory needs from our smaller vendors that are not set up to take remote orders. Keep an eye out for new treasures the last week of the Trunk Show!

~Many blessings~
