brought back some new mine finds. We did a special buy for natural stone polished pieces such as angels, buddhas, wands, bowls, and such, so there will be a great assortment to choose from. Also, we had Selenite polished into 18 different small shapes, a one-of-a-kind way to carry, wear and enjoy Selenite in your daily life. The other most impressive item we found was a box of huge to small tube Fulgurites. They were discovered in an old storage room and are truly a rare find.

WE'LL SEE YOU FRIDAY MORNING AT 10:00 AM!!

MINERALS

All Types of Rough Minerals

We brought back several minerals in natural forms including: Apatite crystals, Mangano Calcite, Pink Danburite crystals, White and Orange Gypsum clusters, flashing Moonstone, juicy Chrysocolla & Turquoise, fibrous Malachite, Lapis, Galena, Wave Dolomite plus Pink and Green Opal, We also found more Bismuth clusters, Crocoite, Wulfenite, Seraphinite, Prehnite and Epidote, and Black Moonstone. Special finds included Violet Agate, Zincite crystals, Large Fluorite octahedrons, Red & Brown Calcite, new Garnierite, Green and Red Druzy Apophyllite, navel Aura Chalcedony, Eudialite, Fire Agate, Astrophyllite, Poppy and Bumble Bee Jasper and Hematite shards.

Polished Pieces & Chakra Tools

Again, we found a variety of finished products in natural stone such as Wands, Spheres, Pyramids, Angels, Freeforms, Palm Stones, Polished Stand-Ups, Eggs, Obelisks, Flames, Slices, small Alter Bowls, Boxes, Totems and Pendulums. Requested stones such as Spider Web Obsidian, Nephrite and New Jade, Moldavite, Shungite, Dendritic Agate, Sea Jasper, Wild Horse Jasper, Polychrome Jasper, Bloodstone, Sardonyx, Rhodochrosite, Covellite, Atlantisite, and Amazonite. We added more Pyramid and Geometric sets plus we brought back a vast assortment of heart-shaped minerals in various sizes.

Quartz Specialities

This year, in addition to natural Smokey Quartz varieties, we brought back more Golden Healers, Elestial Quartz, Herkimer Diamonds, Amphibole in Quartz, Green Quartz from Madagascar and Quartz with Epidote (aka "Dream Quartz"). More Diamantina Lazer wands and points were found and we restocked our small polished Phantom and Manifestation Quartz points. Additionally, Candle Quartz and several varieties of Aqua Aura Quartz in spheres, figurines, polished stand-ups and vogels were brought back. As requested, we added several sizes of Quartz Crystal balls to now choose from.

JEWELRY & TREASURES

Rare Finds

NEW Necklaces!

WooWoo!!!

Super 7 and Auralite 23 are hard to come by from their type localities, but we found the same material from different places in jewelry form. We brought back Epidote in Quartz (aka "Dream Quartz"), Lavender Jade, Tektite, and Purple Grape Chalcedony jewelry that we rarely see. For our fossil enthusiasts we have a special treat - Ammonite, Fossil Coral, Dino Bone and Petrified Wood jewelry! Also, keep an eye out for a wide range of Aura Stone pendants and earrings in our 20-30% off section during Truck Show.

In addition to replenishing Pakimer (aka Herkimer Diamond) and Moldavite strands, we also found some new affordable Butterfly Wing, Bismuth, and LED Quartz Point necklaces. We returned with 18k Gold Plated Sterling Silver chains that make a cost effective substitute to solid gold. And, you will absolutely love the new line of Fashion Stone necklaces that combine a plethora of natural stones into elegant statement pieces to adorn yourself with.

Whether you are looking to raise your vibrations or making fabulous jewelry, you will want to stop by the WooWoo Cabinet and Weigh Station in the Auditorium. We have replenished our Moldavite, Precious Opal, Rhodolite, Garnet, and Sunstone by weight. We also got all new Herkimers, Faden Quartz, Heliodor crystals, Zincite and Fulgurites. Last but not least, we have Pyromorphite crystals again after several years of not being able to find them.

HOME & OFFICE DECOR, ARTISTIC ACCENTS, AMETHYST & CITRINE

Personal Development Aids & Enhancements

To enhance your home, office, altar and personal self, we purchased several statues in multiple sizes of wood, stone, and metal. We replenished our Tibetan Singing Bowls, Tingshas, Bells, Dorjies, Mantra bowls and Malas. We also added an abundance of small stone and wood altar bowls, more Sage varieties, Abalone Shells, Feathers, and Wordstones to our inventory.

Home & Office Accents

Bring Nature into your life with creative accents such as exquisite wood carvings, natural stone bookends, coasters, candle holders & lamps. Also gem trees, wine stoppers, colorful copper trees & copper wall splashes. For another form of nature we also brought an array of unique bug and butterfly collages. Also found were mineral decorator pieces in slabs and stand-ups from small to extra large in minerals such as Black Calcite, Celestite, Ocean

Decorating With Amethyst & Citrine

Great buys on Amethyst and Citrine were found so we brought back plenty to choose from, including more Amethyst and Citrine hearts in various sizes to help bring happiness into your lives. Also, lots of polished Amethyst points to select from, new palm size acid washed Chevron Amethyst pieces, single XL Maraba Amethyst points, mini and small cut-base Amethyst stand-ups and multiple Amethyst

Specialties include Shungite Clocks, Pyrite Suns, a variety of Himalayan Salt products and Aegerine rods.

Jasper, Septarian, Agate, Polychrome Jasper, Shungite, Fluorite, Labradorite and Spectrolite.

and Citrine display pieces on custom stands.

KIDS , FOSSILS, GIFTS and SPECIAL FINDS

For The Young & Old

For the fossil lovers we restocked those beautiful Red Flash Ammonites and our supply of large and small Ammonite pairs plus more fossil Globiden Mosasaur Teeth and multi-color Coprolite (Dino Poop). From the old seas we found Trilobites, Fossilized Sand Dollars, Crabs and Fish Fossils from Wyoming. For the kids we bought more fossil and mineral kits, children's jewelry, clothing and hair pieces plus colorful dyed Quartz and mineral pieces.

Misc Gift Buys

We brought back some ideal gift selections such as Portable Vita Jewel Water Elixer carriers and some amazing natural Pyrite cubes on matrix from Spain. We found all types of natural stone skulls in a variety of minerals and sizes and replenished our extensive Evil Eye Protection selection. Extra large Amethyst, Citrine & Rose Quartz Gem trees, polished Petrified Wood stand-ups & slices, various colorful framed insects, polished Malachite bowls & containers and Black Obsidian scrying mirrors round out some of our gift options.

Special New Finds

New one-of-a-kind finds include LED lighted Quartz point pendants with changing Chakra colors. 18 different specially polished small Selenite forms, Yoni eggs in several varieties of minerals and sizes. We found Mookaite, Lepidolite and Emerald in new Shiva shapes and maybe the most spectacular pieces we found were gold and silver coated Kyanite pieces.

DEPOT DEALS

New Variety of Geodes

We have added a new variety of Geode to our mix, **TRANCAS GEODES**. They are beautiful and they fluoresce "kryptonite green" under the ultra violet lamps. We also added more Moroccan Geodes, medium size to crack and small

New Minerals in the Depot

We have new minerals in the Rock Depot that we've never had before. Large Natural Smokey Quartz points, beautiful blue Dumortierite in Quartz and in Quartz Points, two new Quartz varieties called Emerald Tanzurine & Cherry Tanzurine (a "New Find"). We also have Rutilated Smokey Quartz Points, Fuchsite with Ruby like never seen before,

Popular Additions

We replenished some of our most popular minerals such as: Amazonite, Calcite and the most popular, Herkimer Diamond. We also brought back a new supply of Agua Nueva Agate and added to our stock more Parcelas Agate. There is new Fluorite and Mookaite the size of one's fist. Then last, but certainly
