MINERALS

All Types of Rough Minerals

We bought home several minerals in natural forms including Hemimorphite, new colors of Kyanite, Eudialyte, Morganite, Zircon, Purpurite, Dolomite, Ulexite, new Grape Chalcedony, Dravite, Rain Forest Jasper, Turquoise, Spanish Aragonite, Mimetite, Diopside, Boulder Opal, pieces of Dendritic Psilomelane, Rainbow Moonstone, Sceptrolite, Stichtite, Auralite, Conichalcite, Apache Tears, ExLg Green Fluorite Octahedrons, and finally, more Gaia Stone from Mt St Helen.

Polished Pieces & Chakra Tools

A variety of finished products such as Wands, Spheres, Pyramids, Hearts, Flips, Polished Stand Ups, Angels, Pendulums, Freeforms, Runes, Palm Stones, Obelisks, Bowls, Boxes, Slices, Eggs, and Skulls have all been restocked. We also found a vast assortment of new Reiki and Chakra Tools to assist you. As a special treat this year, we brought back carved Dragon Skulls in many different minerals. Plus, we restocked special requested stones including Shungite, Preseli (Stonehinge) Stone, Ocean Jasper, Rhodochrosite, Lepidolite, Rubellite and Green Opal.

Quartz Crystals

We restocked several specialty types of quartz including another lot of Lemurian Seed Qtz, Singing Laser wands and Diamantina Laser Wands, great Pink Himalayan Qtz Vogels, Clusters, Sprouting Qtz w/ Phantoms, Green Prazym Qtz, Elestials, Double Terminated Tibetan Qtz, Lithium Qtz, Chrome Qtz, Super 7, Enhydro Qtz and Lighting Struck Lemurian Qtz. This time we found Aura Qtz in Cobalt Blue, Sunset and Opal colors. We were able to restock our supply of Black Tourmaline in Qtz that everyone has been requesting.

Rare Finds

Come by to find the elusive Lightning Strike Lemurian Qtz as pendants, and you must see the new and ever unique Thulite and Pink Apophyllite jewelry. We also welcome back these harder to find stones in various jewelry pieces including Emerald rings, Tourmaline and Sapphire in every color, Precious Opal, Sugilite, Larimar, Lithium Qtz pendants, Pyrite pendants and rings, and Banded (Chevron) Amethyst.

Special Sparkles & Popular Demands

We expanded our selection of Herkimer jewelry and restocked our Moldavite jewelry across the board! We also replenished jewelry in these ever-popular stones: Moonstone, Labradorite, Tourmalinated Qtz, and Druzy Qtz. With several new jewelry vendors, we will also be offering brand new styles of gemstone necklaces! Lastly, we were able to find more Baltic Amber jewelry as well as the in high-demand Baby Teething necklaces!

For The Collectors & Energy Pouches

Unusual finds for the collectors include new larger Moldavite pieces to select from and more A-grade Herkimer crystals. Specimen pieces of beautiful emerald-green Diopase, and Yellow Garnet nodules were found along with Aquamarine rods, gemmy Rhodonite, untreated Blue Topaz, Dumortierite in Qtz and new Tri-color and Paraiba Kyanite rough. Of special note is the new elusive Alexandrite that we have in-stock!

LIFE TOOLS, DECOR & ACCENTS , AMETHYST & CITRINE

Life Enhancement Tools

We purchased several items for your altar and life space such as statues of Buddha, Ganesh and Kwan Yin in multiple sizes and materials, plus Tingsha, Bell, Dorje and Mala accessories. We've added new finds such as Lotus Burners, Quartz and Selenite Grids, hand-carved Sri Yantra's, Boji Pairs, and from Peru authentic Chumi Sets. We replenished our Tibetan bowl selections and added more "Happy Drums" in various sizes.

Home & Office Accents

We have nature accents for your home and office including: iridescent copper splashes, Large Celestite specimens, new Selenite shapes and large Quartz top polished table lamps, natural stone Gem Trees, an array of Himalayan Salt lamps and various sizes of Bug & Butterfly collages. Some new nature office accessories include Coral, stone and wood bowls, USB Salt Lamps, Petrified Wood stand-ups and large Megalodon Teeth.

Decorating With Amethyst & Citrine

We brought back the two most favorite and powerful energy crystals, Amethyst and Citrine, in a wide variety of sizes and styles including Dark Uruguayan Amethyst hearts on custom stands, open free form Amethyst and Citrine Cathedrals, cut base standups for desktops, and Lg Qtz top polished Lamps. This year we bought extra pieces of the beautiful dark Black Amethyst and found a few more "baby" Amethyst cathedrals that can be yours for under \$100.

KIDS , TEXTILES & MUCH MORE

For Education & Fun

We restocked our Educational materials including Mineral Kits for teachers and collectors as well as Mineral Packs for school projects including Igneous, Metamorphic and Sedimentary Rocks. MORE fun items for the kids were added including Fossil Packs, Megalodon Shark teeth, Obsidian Arrowheads and many fluorescent minerals.

Textile Buys

We expanded our new clothing and textile purchases to include more: Dresses, Men's Shirts, Yoga Pants, Skirts, Blouses and Tops, Sarongs, Scarves and colorful Tapestries. We also brought back those lovely felt purses everyone loves and restocked our Medicine Pouches in various Leathers and Bunny Fur. Plus if you feel like frolicking, our Fox Tails are fully restocked as well!

Misc. New Buys

New selections for the store include Stain Glass Sun Catchers, Natural Wood Limb Walking Canes, Titanium cubes, eggs & wands, small Pyrite concretion nodules and finally, back by request, more Dowsing Rods. We restocked our sprays, incense and sage area adding new Lema Chodpa Tibetan incense and more Copal options, plus a wider selection of feathers to choose for hat decorating and altar smudging.

DEPOT DEALS

New Supply of Drilled Minerals

For our creative natural stone wire wrappers and jewelry makers the Depot has restocked their drilled natural stone, cabachon and bead supply including Druzy's, Metals, Fossils, natural Qtz points, Aura points, and over 50 other polished minerals. Plus we restocked our Fluorescent mineral selection with affordable specimens in eye-popping colors.

Buys By The Pound

More rough materials arrived including: rough Dugway material, Jet, Aquamarine, Shungite, Black Moonstone, Dendritic Opal, Labradorite, Rose Qtz, Herkimer Diamond material, Mookaite, Peridot, and Thulite. New "special" materials include Utah Lace Opal, Kyanite in Qtz, Black Tourmaline in Qtz and rough Kunzite. We also brought back more break away Choya geodes from Mexico, Rock Candy Geodes and Druzy's with hollow pockets.

More Agates

We are excited to announce NT is now the sole distributor for the newly discovered River Crossing Condor Agate. To enhance our developing Agate selection, we purchased materials including: Kerrusian Agate, Bou Hamza Agate, Plume Agate, Condor Agate from Argentina, Agua Nueva #1, Laguna, Madagascar Agates, more Mozambique Agate with lavender color plum, Parlelas Seam Agate, Apple Valley Agate and Island Black Moss Agate. We now have more than 60 varieties of Agates in our Depot.
