Schedule is subject to change

Registration/Check-in: We understand that some campers may need assistance from a parent/guardian at drop-off times, but as recommended by the New York State Department of Health, we ask that all non-campers remain in their vehicles during the registration process to reduce the density of people at the check-in table. If/when feasible, we ask that only campers approach the check-in area. Only campers, counselors and staff are permitted to enter camp facilities.

Please bring/wear: mask, snack, water bottle, sneakers (for activities both in the gym/turf room and out on the fields), bathing suit, towel, water shoes (if available, not necessary), sunscreen, rain coat and clothes for being active both indoors and outdoors.
