### ***Schedule is subject to change***

**Registration/Check-in:** We understand that some campers may need assistance from a parent/guardian at drop-off times, but as recommended by the New York State Department of Health, we ask that all non-campers remain in their vehicles during the registration process to reduce the density of people at the check-in table. If/when feasible, we ask that only campers approach the check-in area. Only campers, counselors and staff are permitted to enter camp facilities.

**Please bring/wear:** snack, water bottle, sneakers (for activities both in the gym/turf room and out on the fields), bathing suit, towel, water shoes (if available, not necessary), sunscreen, rain coat and clothes for being active both indoors and outdoors. Masks are optional unless otherwise communicated.
