Who We Are

Blue Sage Capital is an Austin, Texas-based private equity firm with over \$1 billion in capital under management specializing in growth, recapitalization and buyout financings of lower middle-market companies. Our investment approach is focused on partnership with founders and management teams as we seek to invest in leading businesses as the first round of institutional capital.

Investment Criteria

Niche Market Leaders: Long-term defensible competitive advantages, high barriers to entry, differentiated product or service offering, and quality, motivated managers.

Proven & Growing Companies: Proven business models, strong recurring cash flow, and demonstrated growth potential.

Founder, Family and Management-Owned Businesses: We look to partner with founders and management teams as the first round of institutional capital, providing intellectual and financial capital to enable companies to achieve their full potential.
