

## TRUE VALUE COMPARISON

Considering pharmacy care for yourself or a loved one is an important decision to make. At the most basic level, a pharmacy is responsible for getting the right medication to the right person at the right time. However, this seemingly simple task isn't always so straightforward – especially if you try to navigate the complicated healthcare world by yourself or on behalf of another. Thankfully, you can **take the stress and uncertainties out of the pharmacy experience!** Good Day Pharmacy is a Colorado-based independent pharmacy, with decades of experience and service excellence. *We believe the best healthcare is based on relationships and delivered locally.* Our pharmacy team works behind the scenes to ensure a smooth process by bridging the gap between prescriber, pharmacy, community, and family. Not all pharmacies are built the same – don't miss out on exceptional pharmacy care. You deserve to partner with a passionate, comprehensive pharmacy team. **You deserve to partner with Good Day Pharmacy!**

### What Our Partners Say:

"Our Assisted Living Facilities met Good Day at a time of great need and they delivered efficiently, correctly and on time! From the administration personnel to the pharmacists to the pharmacy techs to the delivery agents, this pharmacy is darn near PERFECT!  
- The Chateaus, LLC

"Great customer service, my questions are always answered and meds are delivered on time and usually the same day, 2 hours, from when they were requested.
