

Dear Resident and Family Member,

Your community is partnering with **Good Day Pharmacy** to provide pharmacy services for your loved one. We do things a little differently and would love to introduce ourselves. Good Day Pharmacy is a pharmacist-owned Colorado company and we've been serving Colorado for over 35 years!

So, what's different about us??

- Our pharmacy team bills all prescription insurances and is available 24/7.
- We package all medications - including over-the-counter - (OTCs) for **safer administration**.
- Our driver team delivers to the communities twice daily to ensure medications are available and **on time**.
- Our pharmacists review medication therapy to prevent drug interactions, duplicate therapy, and proper dosing.
- We even come to the community to give immunizations (flu, pneumonia, COVID-19)

Is there an extra cost? No way!

If you have prescription insurance, you are only responsible for the copay! If you don't have insurance, our prices are competitive and fair. **The most common OTCs are only \$2.49/month.**

We are obsessed with service and communication. We are available to answer your medication, insurance, and billing questions. **We are here to help!**

To get started, please complete the Good Day Pharmacy agreement, and return it to your community or directly to the pharmacy.

We have payment options-

- Pay online at gooddaypharmacy.com/make-a-payment
- Complete an automatic withdrawal form
- Autopay by credit card
- Pay monthly by invoice

Good Day Pharmacy accepts most insurance plans, all Medicare D prescription drug plans, Kaiser, Tricare, and Colorado Medicaid. Monthly statements will be mailed or emailed (unless you choose the optional automatic withdrawal) and will reflect all out-of-pocket costs for the month prior.

Please let us know if you have any questions! For general information, please contact one of our pharmacists at (970)461-9101, option "0." For billing questions please contact Kim or Kathy in the Billing Department, at (970)461-9101, option 5. You can also reach us by email at LTC@GOODDAYPHARMACY.COM

We look forward to working with you and your loved one.

Thanks! *Good Day Pharmacy TEAM*
