If you have any questions about this Notice please contact our Privacy Officer, Jeremie McKnight, at 359 Main Street, Placerville, CA 95667-5689, Phone: 530-622-3186 .

This Notice describes how our practice and our health care professionals, employees, volunteers, trainees and staff may create, receive, maintain and transmit your medical information to carry out treatment, payment or health care operations and for other purposes that are described in this Notice. We understand that medical information about you and your health, called "Protected Health Information", or "PHI," is personal and we are committed to protecting medical information about you. This Notice applies to all records of your care generated by this practice.

This Notice also describes your right to access and control of your information. This information about you includes demographic information that may identify you and that relates to your past, present and future physical or mental health or condition and related health care services. Typically, PHI will include symptoms, examination and test results, diagnoses, treatment and a plan for future care or treatment. In some cases, federal or state laws may provide privacy protections to PHI that are more strict than those described in this Notice. In those cases, we will comply with the stricter law. For example, federal and state laws may provide privacy protections to PHI related to mental health, HIV/AIDS, reproductive health or chemical dependency that are more strict.

We are required by law to protect the privacy of your PHI and to follow the terms of this Notice. We may change the terms of this Notice at any time. The new Notice will then be effective for all PHI that we maintain at that time and thereafter. We will provide you with any revised Notice if you request a revised copy be sent to you in the mail or if you ask for one when you are in the facility.
