

Real Learning. Real Nature. Real Impact.

Located just 45 minutes southwest of Fort Worth in Granbury, the Texas Outdoor Education Center (TXOEC) at Camp Fire Camp El Tesoro transforms science standards into hands-on experiences that bring learning to life.

- **TEKS & STAAR-aligned lessons** across life, earth, and physical sciences
- **223-acres of natural ecosystems:** creeks, forests, prairies, and rivers
- Outdoor labs, challenge courses, canoeing, survival skills & more
- **Full-day and overnight trips** with custom-built schedules
- **Modern cabins**, healthy meals, and certified staff
- Perfect for **students in grades 2–8**
