

Educational Opportunities

Field Trips

- Curriculum for K-12
- Facilitated at the Nueces Delta Preserve
- Hands on Activities

Watershed Warriors Program

- Students learn about water conservation
- Our educator visits your classroom
- Students learn using a large watershed model of their local area

Travel Trunks

- Trunks that contain material and instructions for 5 educational activities
- Trunks are available that cover watersheds, soil, and estuaries
- Educators check-out these trunks for a 10 day period.
