

We had a strong start to registration. We do have some openings in our older 2's and our additional Pre-K class. And our summer registration is also off to a strong start. Please spread the word that our summer program is currently enrolling students.

I thank you all for your continued support of the school and entrusting us with your children. It's obvious through all the Living Tree posts how much the teachers treasure your children and enjoy their work.

We are all looking forward to the Family Picnic, Wed. March 21. It will be a great time to show off the dry creek bed. While we have been able to enjoy your children playing in it and watching all of the inventive ways they use the area, some of you have not been able to see that yet. It's very fun to just stand back and watch as they leap across the boulders, pump the water, balance on the log, and figure out new ways to float items down the creek.

During Spring Break Camp, our hours are limited to 9:00-5:00, and Erin and Ms. Crystal will take turn being in the office. I hope you all get to have some time off and enjoy the weather and time with your families.

Blessings,

Jerri
