

Sunscreen and Bug Repellent Permission Slip

If you would like for us to apply any of the following items to your child, please provide us with unexpired bottles of age appropriate medicine, labeled with your child's first and last name. Please check off below and sign. This form must be signed every 6 months. We follow the NAEYC Standards as stated "When public health authorities recommend use of insect repellents due to high risk of insect-borne disease, only repellents containing DEET are used, and these are applied only on children over 2 months of age. Do not use a product that combines sunscreen and insect repellent. Staff apply insect repellent no more than once a day and only with written parental permission."
