

St. George's Episcopal School

School's Stage 3

COVID-19 Plan

(these procedures are in addition to the school's normal NAEYC guidelines and practices found in the family handbook)

The school's commitment to keep all the children, staff, and families safe is our biggest priority. Throughout this pandemic, the school has set guidelines following the state's regulatory agencies. At this time, the school is returning to the guidelines put in place during the summer programming and before the most recent surge in cases.

Now that cases are down and the city of Austin is in stage 3, the school will resume these guidelines effective Oct. 18, 2021.

1. Preventing the Spread of COVID-19

1. Vaccinated teachers and parents
 - a. Vaccinated teachers and parents will no longer be required to wear masks, but have the right to wear masks if so desired.
2. Unvaccinated teachers and parents

 - b. Unvaccinated teachers must wear masks in classrooms and common areas within the school, i.e. teacher resource room and office.

 - b. If children are on the playground, parents may enter the classroom to gather their child's belongings.
