

Sunscreen, Bug Repellent or Ointment Permission Slip

If you would like for us to apply any of the following items listed below to your child, please provide us with unexpired bottles of age appropriate medicine, labeled with your child's first and last name.

- We follow the NAEYC Standards as stated "When public health authorities recommend use of insect repellents due to high risk of insect-borne disease, only repellents containing DEET are used, and these are applied only on children over 2 months of age.
- Do not use a product that combines sunscreen and insect repellent.
- Children should arrive at school with the first application of sunscreen or bug repellent. Teachers will reapply for children who stay for Fun Zone.
- Do not send aerosol sprays as sunscreen and bug repellents are applied indoors.

Please check off below what is being left at school and sign. This form must be signed every 6 months.
