

LADINO

PRIVATE EVENTS

ABOUT US

Ladino, a Mediterranean Grill House, draws inspiration from the food Chef Berty Richter grew up eating in Israel, influenced by the surrounding cultures and cuisines. True to its namesake, Ladino pulls flavors from Spain, Turkey, Greece, Italy, France and Israel, bringing modern yet authentically Mediterranean fare to San Antonio. Richter joins his partners, Beard-nominated Chef Kevin Fink and Food & Wine Best New Chef Tavel Bristol-Joseph in opening the Emmer & Rye Hospitality Group's first San Antonio concept.

The space presents a modern interpretation of the colorful, bold textural designs of the Mediterranean region, featuring a stunning dining room that seats 70, an upstairs bar and lounge space ideal for cocktail events, and a sprawling patio that extends on to the Pearl's new Plaza.
