## Report of Independent Auditors

To the Board of Directors of  
Side by Side Kids, Inc.

We have audited the accompanying financial statements of Side by Side Kids, Inc., which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Side by Side Kids, Inc. as of June 30, 2015 and 2014, and the results of its activities and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Notes to Financial Statements

For the years ended June 30, 2015 and 2014

### **1. Organization**

Side by Side Kids, Inc., formerly Community New Start, Inc., (the “Organization”) is a Texas non-profit corporation that was incorporated in 2002 with a mission of community transformation through Christian ministry, pursued by building relationships with and addressing the economic, physical, social, and spiritual needs of the individuals, families, and neighborhood blocks in the St. John’s area of Austin, Texas.

The Organization began as a mercy ministry arm of Redeemer Presbyterian Church in 1996. Its objective was to serve the needs of the poor, welfare-to-work families, single mothers, and the homeless through relationships with church members. Through this process, the ministry found itself working closely with many families in the St. John’s community, and eventually the ministry realized a need to refocus its approach at both the individual and community levels. The ministry adopted a community renewal model based on the success of a nationally acclaimed community renewal effort in the Shreveport-Bossier City metropolitan area of Louisiana.

In 2011, the Organization rebranded and became Side by Side Kids, a faith-based, afterschool program anchored in East Austin’s St. John’s community. The Organization journeys side-by-side with kids from kindergarten to 5th grade, encouraging and equipping them to reach their highest God-given potential as everyday leaders and heroes of tomorrow. Its mission is to inspire and equip kids in East Austin to be excellent students, make wise choices, and follow Christ.

The Organization works to provide after-school programs, as well as spiritually ministering to those served. In 2010, the Organization worked with University of Texas professors to develop a new curriculum for programs that further assisted the Organization in meeting its mission. The Organization continues to build a network between neighbors, businesses, and churches in the area, a network that seeks to spread across the greater Austin community.

### Notes to Financial Statements (continued)

#### **2. Summary of Significant Accounting Policies**

##### **Basis of Financial Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting. The Organization recognizes contributions, including unconditional promises to give, as revenue in the period received. Contributions, net assets, and changes therein are classified and reported based on the existence or absence of donor-imposed restrictions.

##### **Contribution Revenue**

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same year are reported as unrestricted support.

The Organization did not receive any temporarily restricted contributions during fiscal years 2015 and 2014. The Organization released and expended \$852 of temporarily restricted net assets in 2014. No assets remain temporarily restricted at June 30, 2015.

##### **Program and Supporting Services**

Program Related – The Side by Side Kids Afterschool Program ministers to children in two schools located in the St. John’s community: J.J. Pickle Elementary and T.A. Brown Elementary. Part-time afterschool teachers from the St. John’s community and from Austin area churches provide individualized academic tutoring, recreational activities, and Biblical instruction through the application of a character-based curriculum. The goal is to achieve improvement in students’ grades and behavior, with a foundation of emphasis on the positive influences of the Gospel.

Management and General – Includes the functions necessary to maintain an adequate working environment; provide coordination and articulation of the Organization’s program strategy through the Executive Director; secure proper administrative functioning of the Board of Directors; and manage the financial and budgetary responsibilities of the Organization.

### Notes to Financial Statements (continued)

#### 2. Summary of Significant Accounting Policies (continued)

Development and Fundraising – Provides the structure necessary for expansion and growth of the Organization into new areas and programs. Encourages and secures private financial support from individuals, foundations, and businesses.

The direct and allocable costs for the years ended June 30, 2015 and 2014 are classified as program-related, management and general, and development and fundraising activities as follows:

	June 30,	
	2015	2014
Program-related	\$ 253,686	\$ 234,577
Management and general	178,824	170,174
Development and fundraising	18,834	40,467
Total	<u>\$ 451,344</u>	<u>\$ 445,218</u>

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Fair Value of Financial Instruments

The Financial Accounting Standards Board (“FASB”) authoritative guidance on fair value defines fair value, establishes a framework for measuring fair value in accordance with generally accepted accounting principles and expands disclosures about fair value measurements. The guidance establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

## Side by Side Kids, Inc.

### Notes to Financial Statements (continued)

#### 2. Summary of Significant Accounting Policies (continued)

The Organization's financial instruments consist principally of cash and cash equivalents, accounts payable and accrued expenses. Financial instruments approximate their carrying amounts due to the short maturity of these instruments.

#### Cash and Cash Equivalents

The Organization considers certain liquid asset accounts with original maturities of three months or less at the date of acquisition to be cash equivalents. The Organization maintains its cash and cash equivalents in bank deposit accounts which, at times, may exceed federally insured limits. To date, the Organization has not experienced any losses in such accounts.

#### Concentration of Credit Risk

Donors representing 10% or more of the Organization's total revenue as of the years ended June 30, 2015 and 2014 are as follows:

	2015	2014
Donor A	16%	15%
Donor B	13%	15%
Donor C	*	12%

\* Less than 10% in the current year

#### Fixed Assets

Fixed assets are recorded at cost and depreciated on a straight-line basis over the estimated useful lives of the respective assets or amortized over the terms of the respective leases, whichever is shorter, as follows:

Office equipment, computers and software	3 years
Vehicles	5 years
Furniture and improvements	7 years

Donated assets are recorded as support at their estimated fair market value at the date of contribution and are depreciated using the same straight-line method and recovery periods as purchased assets. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose.

## Side by Side Kids, Inc.

### Notes to Financial Statements (continued)

#### **2. Summary of Significant Accounting Policies (continued)**

Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire fixed assets are reported as restricted support.

Absent donor stipulations regarding how those donated assets must be maintained, the Organization reports the expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

#### **Contributed Services and Goods**

Contributed services are recognized when measurable and when the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The Organization did not receive or recognize contributed services for the years ended June 30, 2015 and 2014. The Organization received contributed goods during the year that were immediately sold and recognized at fair value of approximately \$6,500 for the year ended June 30, 2015. No goods were contributed for the year ended June 30, 2014.

#### **Tax-Exempt Status**

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and did not conduct unrelated business activities. Therefore, the Organization has made no provision for federal income taxes in the accompanying financial statements.

#### **Recent Accounting Pronouncements**

In August 2014, the FASB issued ASU No. 2014-15, Presentation of Financial Statements - Going Concern (Subtopic 205-40). This ASU defines management's responsibility to evaluate whether there is substantial doubt about an organization's ability to continue as a going concern and to provide related footnote disclosures. Prior to this ASU, U.S. generally accepted accounting principles lacked guidance about management's responsibility to evaluate whether there is substantial doubt about the organization's ability to continue as a going concern or to provide related footnote disclosures and all guidance was included in generally accepted auditing standards ("GAAS").

### Notes to Financial Statements (continued)

#### 2. Summary of Significant Accounting Policies (continued)

This guidance is effective for annual periods ending after December 15, 2016. Early adoption is permitted. Management does not expect this provision to have an effect on the School's financial statement presentation

#### 3. Fixed Assets

Fixed assets consisted of the following:

	June 30,	
	2015	2014
Office equipment, computers and software	\$ 66,753	\$ 66,753
Furniture and improvements	9,562	9,562
Total	76,315	76,315
Less: accumulated depreciation	(75,849)	(68,855)
Fixed assets, net	\$ 466	\$ 7,460

#### 4. Operating Leases

The Organization had a non-cancelable operating lease for office space expiring July 2014. Rent expense under this lease totaled approximately \$1,900 and \$22,000 for the years ended June 30, 2015 and 2014, respectively. In July 2014, the Organization executed a new non-cancelable lease expiring in August 2017. Rent expense under this lease totaled approximately \$20,000 and \$0 for the years ended June 30, 2015 and 2014, respectively. Future non-cancelable minimum lease payments under these operating leases as of June 30, 2015 are as follows:

2016	\$ 27,180
2017	27,530
2018	4,598
2019	—
Thereafter	—
Total minimum lease payments	\$ 59,308

#### 5. Subsequent Events

In accordance with ASC Topic 855, *Subsequent Events*, the Organization has evaluated events occurring between the end of the most recent fiscal year and January 22, 2016, the date the financial statements were available to be issued.
