

We are currently scheduling appointments for Covid-19 testing.

We offer 2 different types of tests:

Rapid test: If you schedule a rapid test, your result will be ready in 15 minutes. The cost for this test is \$95. We do not bill insurance for this test.

PCR Test: If you schedule a PCR test, your result will usually be ready within 24 to 48 hours. Tests are done at an outside lab, and results are emailed directly to you. The lab will bill your insurance company directly, and there will be no cost for this. If you don't have insurance, the cost will be paid by the government.

Tests are done in the back parking lot. Please arrive to your appointment on time, pull around to the back of the building and park in one of the curbside pickup spaces. Call the store at 732-264-3310 to let us know that you are here.

Wait in your car for someone to come out to perform your test.

Thank you.
