

Hazlet Pharmacy will be administering the Covid-19 vaccine.

We are working collaboratively with the Federal Government and the State of NJ to bring a safe and effective vaccine to you as quickly as possible.

Here is the prioritization order for receiving the vaccine:

Phase 1A:

Healthcare personnel:

Hospital employees, LTC workers, Veteran's home workers, Home care workers, Ambulatory and urgent care, Clinic workers, Dialysis center workers, Dental office workers, Morticians and funeral home workers, Pharmacy workers, Other non-hospital healthcare facilities workers, Public health workers (such as those as federally qualified health centers), Group home workers, Other paid and unpaid licensed and unlicensed healthcare workers, EMS personnel, Other healthcare settings.

Long-term care residents:

Long-term care facilities, Veterans' homes, Correctional facilities, prisons, juvenile centers, county jail, IDD group homes, Mental health group homes, Psychiatric hospitals, Other long-term care settings.

Phase 1B:

First responders:

Police, Firefighters, Other first responders.

Other essential workers:

Food-service workers, Port Authority workers, New Jersey Transit workers, Teachers, Education staff, Childcare workers, Workers who support radio, print, internet and television news and media services, Other critical workers, Other essential workers

Phase 1C:

Elderly:

People over 65

Phase 1C: (continued)

People at high-risk of COVID-19 illness:

People at all ages with comorbid and underlying conditions that put them at high risk of COVID-19 (such as, hypertension, obesity, cardiovascular disease, diabetes, chronic lung disease, cancer, chronic kidney disease, immuno-compromised, sickle cell disease), People living or working in congregate or overcrowded settings – such as colleges and universities, People living or working in congregate or overcrowded settings – such as migrant workers, People living or working in congregate or overcrowded settings, Tribal populations, Other people at high risk of COVID-19 illness due to comorbidities, occupations, demographics, etc.

Phase 2:

General public

These phases are being updated and shuffled often. If you register for the vaccine, you will be allocated a dose at the appropriate and updated time. If you experience any issues with the website, try at a later time.

Here is where you can go to register for your vaccine:
